

Minnetonka Football

18301 Highway 7, Minnetonka MN 55345

To Minnetonka Football Player Parents:

As a parent of a Minnetonka Football Player you play a key role in our program. Your everyday support of your son is critical to his development as a person and just as important to his development as an athlete.

In addition to the valuable support you provide your son, we ask you to make a personal and financial commitment to our program. Minnetonka has the distinction of being one of the leading programs in the state which has been accomplished with the strong support of the surrounding community. This support occurs in two areas:

1. Financial Commitment:

A financial commitment is in the form of an annual membership in the Minnetonka Touchdown Club. Membership is open to all families of Youth and High School football families. We strive for 100% participation and will accept any size contribution. To achieve our goals, we suggest tax deductible gifts ranging from \$25 - \$1000. These funds support major projects which benefit youth and HS players in our programs. Benefits include:

1. Tonka Dome and Artificial Turf
2. Veteran's Field (Practice and game fields for our Football Programs)
3. Football equipment
4. Additional Assistant Coaches Salaries
4. Video and technology

2. Time Commitment:

Donation of time is extremely important as we have many activities to staff throughout the year. Fortunately, we have a large base of parents so the work load is spread among many. We ask each parent to volunteer for at least 4 hours of service throughout the year. We can use your expertise in sales, marketing, technology, and more so the sooner you sign up for an activity, the more likely you are to meet your interests and time needs. The following fundraisers and activities are critical to the success and enjoyment of the program by all. Please see one of us and volunteer **TODAY!**
